ABOUT STARLING MY DARLING

PLAYING TOGETHER SINCE 2019, STARLING MY DARLING IS DAWN SIPES AND PAUL FERRARO. TOGETHER, THEY'VE CRAFTED A SOUND ENTIRELY BASED ON HARMONY. WHILE THEIR VOICES ARE DIFFERENT, THEY DEVELOP SOUNDS THAT COMPLIMENT AND BLEND - TWO VOICES, ONE BEAUTIFUL NOISE.

WHO WE ARE

Starling My Darling is singer-songwriter forward. Their sets combine their own music with an eclectic mix of tunes that draw on Dawn and Paul's deep love and knowledge of music. Each set is different from the one before. One week they might cover "Love Hurts" like Emmylou and Gram, and the next week they might work up a Sinead O'Conner song.

Dawn and Paul are also both adventurous multi-instrumentalists. Live shows tend to see them blending their acoustic guitar sounds and voices - however, they both bring many talents to the band.

Starling My Darling is currently in the studio working on their first full-length album, that they can't wait to share with the world! In the meantime, catch them at festivals, coffee shops, brewpubs, and outdoor venues throughout the area.
